Dear Mesabi East Archery Sponsor -

Mesabi East Archery is part of the National Archery in the Schools Program (NASP) which teaches students in grades 4-12 target style & 3D style archery. Mesabi East joined this program for the first time during the 2011-2012 season, with the help of our local Community Education Program and the Mesabi East School System. We participate in the Region 2 group. The majority of the schools that are currently competing in Region 2, on a local, regional, state and even national level, are primarily from the Iron Range Area and include, Mt. Iron-Buhl, Grand Rapids, Greenway, Nashwauk-Keewatin, Hill City, Hibbing, Cook, Ely and of course Mesabi East. We have had teams and individuals qualify for nationals in the past several seasons.

Generous sponsors like you are the key to our success and make it possible for the Mesabi East Booster Club, in addition to the above mentioned, to provide local students the continued opportunity of the Mesabi East Archery program. We hope that we can count on your support to help us:

- Continue this wonderful program which all students can partake in
- Replace 3D Target Inserts & block targets as they need replacing
- Maintain & replace our current equipment which is starting to age
- Purchase team jerseys
- Help send more of our individual archers and/or Mesabi East teams (Elementary, Middle School & High School) to Nationals

Your sponsorship is greatly appreciated by not only our organization, but all of our Mesabi East archers and our community as well. Our archers volunteer for different things such as the Trail of Terror held by the Hoyt Lakes Chamber.

All sponsors will be listed on our website at mearchery.com. Any sponsors who sponsor us with \$100 or more by 12/15/2024 will have their name on the back of our jerseys & also on a banner we will have at our home meet for our sponsors. The following levels are:
